

TET Exam 2019: Mobile phones, electronic devices banned

Tezpur, November 7: For smooth conduct of the Teachers' Eligibility Test (Primary and Upper Primary) examination, 2019, to be held on November 10, the district administration has informed that candidates will not be allowed to carry any electronic communication device including mobile phones, pagers, bluetooth, earphones, tablets, etc.

Moreover, calculators, books, scale or drawing instruments, bags and water bottles will also not be allowed inside the examination hall. There will be no provisions for safe custody of these devices at the exam centres and candidates carrying such devices shall be solely responsible for their safety.

Candidates will be allowed to carry only admit cards and blue and black ball pen for writing the exam inside the exam centre. After completion of exam, candidates will have to sign Form 9 before depositing their Test Booklets and OMR Answer Sheets to the invigilator.

Candidates whose particulars in Admit Cards are wrong will now be allowed to sit in the examination, on checking of any of his/her Government issued ID card such as Aadhar, PAN card, Driving Licence, etc., and he will have to get these particulars corrected at SEBA office after the exam.

A meeting to review the preparations for the TET examination was held recently in the Conference Hall of the Deputy Commissioner's office under the chairmanship of Deputy Commissioner Manvendra Pratap Singh. District Development Commissioner Farouk Alam and other senior district administration officials were also present in the meeting.

The Deputy Commissioner asked all education department officials to ensure smooth and proper conduct of the examinations after reviewing the preparations. He asked the police to deploy adequate security personnel and frisking arrangement at entry point of each exam centre, escort party during transit of exam materials and reviewed other security related issues.

Deputy Commissioner Manvendra Pratap Singh also directed issue of an order U/S 144 CrpC in and around the exam centres as per TET guidelines to ensure smooth conduct of the examination.
